*Course is Not Offered this Academic Year

2024-2025

** May be repeated - see course description

***Actuarial Science students may use ACSI 201 instead of both BUAD 205 and BUAD 218. To get to the correct number of courses required for the major you need one more course. We suggest taking BUAD 250. You will need substitution forms filled out for both ACSI 205 and BUAD 250. Please reach out to Dr. Rahmoeller (rahmoeller@roanoke.edu) or Dr. Kassens (kassens@roanoke.edu) for questions about substitutions.
