Defense Counterintelligence and Security Agency

The DCSA Student Experience (DSE) is a paid internship program designed to attract diverse and talented students enrolled full-time in an undergraduate or graduate degree program from an accredited college or university. Students have an opportunity to gain marketable developmental experience in counterintelligence and insider threat, industrial security, personnel security, security training, and other DCSA core mission and support areas.

Students typically work for a recommended minimum of 10 weeks from June through August as full-time, temporary federal employees. Students that successfully complete the summer program may be eligible to return to their internship during academic breaks. Students must provide proof of full-time enrollment from an accredited institution in order to be considered. All students will successfully complete the security clearance process and pass a drug screening test prior to receiving a final offer to participate in the program. Students who receive successful performance may be eligible for non-competitive conversion to a permanent position if all requirements are met. Funding availability, mission requirements, and other factors may apply.
