Please note, this is a third-party platform not supported by Roanoke College, and you should review the data collection statement on the landing page prior to joining. You can opt out of sharing your details with any of the firms whose projects you complete. Let us know if you have questions as you explore opportunities and [schedule an appointment](#) with PLACE to incorporate your completed projects into your resume.

The poster is a vertical rectangle with a dark red background. At the top, the title "AI-POWERING YOUR PATH: NAVIGATING CAREERS WITH CHATGPT | PART 3: INTERVIEW PREP" is written in white, uppercase letters. Below the title, the date and time "Tuesday, November 14th 2023 12:00 pm - 12:30 pm" and the location "Pickle Meeting Room - Colket Center" are listed in white. To the right of the text is a circular graphic with a globe in the center and several icons around it, including a magnifying glass, a person, a document, and a gear. Below the date and time, there is a paragraph of white text: "Explore how AI, specifically ChatGPT, can simulate mock interview scenarios, allowing you to practice responses to common interview questions, refine your communication skills, and boost your confidence. This workshop empowers you with AI-driven insights and practice to excel in interviews." At the bottom left of the poster is the PLACE logo, which consists of the letters "PLACE" in a stylized, colorful font.

Launch Lab 2024

Are you graduating in May or August? Don't miss Launch Lab 2024 taking place January 11th-13th at Roanoke College. [Register](#) to join three jam-packed days full of networking, professional preparation, and job search strategy. We hope to see you there!

The poster features a maroon background with a white decorative pattern of stylized leaves. On the left, there is a photograph of a brick building with a gabled roof and a tree with autumn foliage. The Roanoke College logo, which includes a shield with a cross and the year 1842, is positioned in the top right corner. The text 'LAUNCH LAB' is prominently displayed in white, bold, uppercase letters, followed by the dates 'January 11-13 2024'. Below this, it describes a '3 day Intensive Career Development Program for Seniors'. A list of activities for participants is provided, including evaluating strengths, preparing application documents, networking, and job searching. A paragraph details the program's activities, such as an etiquette dinner and a networking event. A QR code is located in the bottom left corner, and the text 'Roanoke College Launch Lab 2024' is printed above it. A small graphic of a building is visible in the bottom right corner.

ROANOKE COLLEGE

LAUNCH LAB

January 11-13 2024

3 day Intensive
Career Development Program for Seniors

Participants will...

- Evaluate their strengths
- Prepare application documents
- Participate in networking events
- Begin their job searches

During the program, students join an etiquette dinner with professionals and alumni, participate in a networking event at a local attraction, learn how to build their personal brand with industry leaders, and expand their professional toolkit to better market themselves to employers.

Roanoke College Launch Lab 2024

Internships

Pallas Fellowship - applications open through November 13th (open to seniors)

Pallas Advisors is looking for its 15th cohort of Fellows to join an impact-focused national security advisory firm that specializes in assisting emerging technology companies navigate the national security ecosystem. This is a paid, part-time, fixed term position (approx. mid January through mid May).

To apply, please submit the requested information to the link provided [here](#).

Fellows at Pallas Advisors will assist in the day-to-day operations of the firm. They will support the team by providing tailored research, developing products for clients, assisting in business development efforts, and completing other tasks as required. Fellows will gain valuable exposure to consulting, while working with cutting-edge technology companies, and the national security and policymaking communities in DC. There will be many opportunities to interact with senior officials and officers in the Department of Defense, State Department, National Security Council, Intelligence Community, and other government agencies and offices, as well as work with leading technology companies, venture capital firms, and non-profit institutions. Additionally, the Fellow will assist with administrative tasks shared by all members of the team.

The ideal candidate is energetic and detail-oriented with a demonstrated interest in national security issues. Candidates should have excellent writing skills and be proficient in drafting information papers and presentations. Knowledge or experience in the defense industry, technology start-ups, early-stage investing, or security and technology policy is welcome, but not required. The application is open to graduate students, recent graduates and current seniors. More information can be found [here](#).

Handshake Highlights

Summer 2024 Corporate IT Intern at Intact Insurance Specialty Solutions in Salem, VA

<https://roanoke.joinhandshake.com/edu/jobs/8392479>

Intact Insurance is currently seeking students who are interested in Software Development and want to learn from a successful IT team. In this role you will have the opportunity to join a development team and experience the full systems development life cycle on a variety of applications.

- You will partner with members of your team to design, develop, test, and implement solutions in web applications, services, and batch jobs.
- You will diagnose and fix problems reported by testers and users.
- You will collaborate with individuals and teams, both technical and non-technical, across the company.
- You will need experience with an object-oriented programming language, such as Java or C#.
- You must be working towards a bachelor's degree with at least two years of school completed prior to start of internship. You must have taken some computer science coursework or have relevant self-taught experience.

Summer Leadership Internship at Busch Gardens in Williamsburg, VA

<https://roanoke.joinhandshake.com/edu/jobs/8396843>

Our program puts you in a supervisory role in one of our parks and features a series of expert-led seminars to help you hone your skills. Your experience will culminate with a Team Project where you will work on a real-world business case and present your findings directly to Senior Leadership.

- Internships are available in all lines of business, including Ride Operations, Food & Beverage, Merchandise, Human Resources, Zoological, Finance, Marketing, and more!
- Low-cost housing is available!
- Interns will have the experience of front-line involvement, overseeing a team of employees and providing guidance and direction to their team as they interact with thousands of guests daily.
- Must be currently pursuing a college degree
- Must commit to working through the 2024 peak operating season (mid May– mid August)
- This is a general internship application. Your preference for placement in a specific line of business will be requested and you will be placed based on your preference, experience and our business needs. This is a paid internship and can be used for credits based on the requirements of your College or University.

Summer Internships at Pro Football Hall of Fame in Canton, OH

<https://roanoke.joinhandshake.com/edu/jobs/8401748>

The Pro Football Hall of Fame Summer Internship Program provides a meaningful and educational, hands-on experience in a variety of disciplines. Interns will have the opportunity to contribute to the organization's success and gain real world experience throughout the summer leading up to the annual Enshrinement Week.

There are 15 available internship positions available across 12 areas. Please review each description carefully. You may select up to three positions that you are interested in being considered for as an intern.

Accounting – 1

Archives & Football Information – 1

Communications – 2

Events – 1

Hospitality – 1

Marketing – 1

Museum Collection – 2

Production – 1

Retail & Merchandise – 1

Sponsorship – 2

Volunteer Management – 1

Youth, Education & Leadership – 1

All summer interns will receive a stipend while interning at the Hall of Fame. If an applicant is seeking college credit, the Hall of Fame will work to meet all necessary requirements. Interns must be available for approximately 40 hours per week from Monday, June 3 through Monday, Aug. 5, 2024 with extended hours expected around Enshrinement Week.
