PLACE in the Summer!

As you gear up for finals, remember that PLACE is here to help you not only finish strong but also to prepare for a productive summer! Once you've aced your exams, consider using summer break to advance your career development. Summer is a great time to update your resume with all the awesome things you did this school year! We also offer appointments for interview prep, starting or improving your LinkedIn page, networking, and career exploration. These opportunities are designed to boost your skills and enhance your employability. Let's make this summer count towards building a bright future. Drop by PLACE or schedule an appointment in [Handshake](#) to learn more about how you can make the most of your summer!

Blue Ridge Partnership for Health Science Careers - Student Ambassador Applications

Interested in health careers? Apply to be a Student Ambassador to work with the Blue Ridge Partnership for Health Science Careers (BRPHSC) to promote and serve as outreach partners to fulfill the mission of the BRPHSC. These students are leaders in voicing their health care career journeys, and elevating the student perspective in building a coalition model approach to improving local workforce development, training, outreach, and public health. Applications are due by May 1, 2024.

Dominion Energy: 2024 Careers in Energy Diversity Student Conference

Dominion Energy is excited to announce that the fifth **Careers in Energy Diversity Student Conference** is now accepting applications! The conference helps us recruit outstanding interns and co-ops who reflect the communities we serve. We are thrilled that this year, the conference will take place in person at **Dominion Energy's headquarters in downtown Richmond, Virginia on October 9-10, 2024**. We will welcome 100 students, representing undergraduate majors from colleges & universities.

Our in-person conference provides an excellent opportunity for students to:

Learn more about Dominion Energy, a Fortune 200 company

Gain insights into what a career in energy entails

Network with business leaders, employees, and other college students

Access to summer 2025 internships across our footprint, in states such as Virginia, South Carolina, North Carolina, and Connecticut

We'd love to see you represented at the upcoming conference. Applicants must be current freshmen, sophomores, or juniors with a minimum 3.0 cumulative GPA. The application deadline is **June 01, 2024** and we encourage students to [apply now!](#)

Want to learn more about Dominion Energy, and the Careers in Energy Diversity Student Conference? Visit our website at [DSC 2024 Careers in Energy \(dominionenergy.com\)](https://www.dominionenergy.com/dsc-2024).

Graduate School Fair @ University of Lynchburg

You're invited! The University of Lynchburg is hosting a Graduate School Fair on Thursday, April 25th from 3:30-6:30 PM. Interested in attending? Register [here](#).

Big Interview - On-Demand Interview Practice!

Have an upcoming internship or job interview? Check out our new virtual resource - [Big Interview](#) - to prep for the dreaded "Tell me about yourself" question. Big Interview is an online system that combines training AND practice to help improve your interview technique and build your confidence.

HOW TO ACCESS BIG INTERVIEW

STEP 1: Go to <https://roanoke.biginterview.com/> and click "LOGIN".

STEP 2: Enter your Roanoke College credentials.

STEP 3: Start using Big Interview.

Want feedback on your practice? [Schedule a "Mock Interview" appointment](#) with PLACE and send us your video!

The Forage

Looking to build new skills to add to your resume? Check out the Forage!

[Forage](#) can be a great way to get ahead in your career. Forage provides free, online virtual experience programs created by Fortune 500 companies to provide you with the insights and skills you need to succeed in your job search and the start of your career.

Please note, this is a third-party platform not supported by Roanoke College, and you should review the data collection statement on the landing page prior to joining. You can opt out of sharing your details with any of the firms whose projects you complete. Let us know if you have questions as you explore opportunities and [schedule an appointment](#) with PLACE to incorporate your completed projects into your resume.

CliftonStrengths Platform

Have you completed the Strengths assessment already? Learn more about your [top 5 Strengths on the new platform](#) - from the home page, you can scroll down and click "learn more" for each strength. The new CliftonStrengths Top 5 report is here for you. Check out the quick videos to discover more about what your strengths mean! You can schedule an appointment with PLACE to talk more about how these strengths relate to your future career.

Want to learn more about your top strengths? Like podcasts? Checkout the [CliftonStrengths Podcast!](#)

Haven't completed Strengths yet? [Request a code](#) to discover more about your unique strengths and how they set you apart.

Job and Internship Opportunities

Want to know about these opportunities first? Be sure to join the [PLACE group on LinkedIn!](#) Find out more, including full time opportunities, on the platform.

2024 Fall Paid Research Opportunities

The Office of Science / US Department of Energy is pleased to announce paid research internship opportunities for undergraduate students majoring in areas of Science, Technology, Engineering, and Mathematics (STEM) for the Fall of 2024. The application system for the 2024 Fall Term Science Undergraduate Laboratory Internships (SULI) program is currently open, with all applications due by 05:00 PM Eastern Time on May 22, 2024.

The Science Undergraduate Laboratory Internships (SULI) program places students from 2 and 4 year undergraduate institutions as paid interns in science and engineering research activities at DOE national laboratories and facilities, working with laboratory staff scientists and engineers on projects related to ongoing research programs. Appointments are for 16 weeks during the Fall term, are open to US Citizens and US Lawful Permanent Residents, include a weekly stipend, reimbursement for one round trip domestic travel to the participant's host DOE laboratory, and possibilities for a housing allowance. More than 850 internships are sponsored annually.

Application is made online. Full program information and descriptions, including links to the online application system, are available at: <https://science.osti.gov/wdts/suli/>.

Stop by for Rooney's Reviews or Walk-In Wednesdays

Don't want to schedule an appointment? Have a quick question? Catch us at Rooney's Brews on Tuesdays from 9:30 - 10:30 AM for Rooney's Reviews or on Wednesdays from 1-4 for Walk-In Wednesdays at PLACE. See you soon!

Handshake Highlights

Social Media Intern at NJ Transit in Newark <https://roanoke.joinhandshake.com/edu/jobs/8898429>

NJ TRANSIT is the third-largest transportation agency in North America and fully committed to delivering safe and reliable services. This tactic has driven our success in developing real-world solutions that affect many individuals lives every day. We are looking for talented students to hire for our Internship Program who can help initiate our solution-based business model to the next level. As an intern at NJ TRANSIT, you will oversee projects from concepts to completion. Our interns step away from the regular sitting at the desk to having the opportunity at hands-on experience with several business units within NJ TRANSIT. Our ideal candidate is passionate about learning and using creative solutions to make an impact on the lives of others.

Candidates should be currently pursuing a bachelor's degree in Marketing, Communications, Business, or related field.

Approximate Hours Per Week: Students can work up to 40 hours per week through the 10-week summer internship.

Applications close on May 2nd.

**Data Scientist Intern at General Dynamics
Information Technology - Springfield, VA**
<https://roanoke.joinhandshake.com/edu/jobs/8903614>

GDIT's Summer Internship Program is designed with you in mind! Our internship provides you the opportunity to be a part of a collaborative team that is helping to solve our clients' most challenging matters. Throughout GDIT's 10-week Summer Internship Program, you will have the opportunity to do the following:

Work side-by-side with GDIT professionals delivering work for clients.

Collaborate with a team of peers to research and propose solutions to a current business challenge.

Participate in a mentoring circle led by an early career champion.

Interact with GDIT leaders.

Participate in professional development.

GDIT interns are paid and full-time (40 hours/week) for 10 consecutive weeks. Applicants should have a minimum of one semester remaining in their studies after their internship concludes. Take the first step and apply today!

2025 Internal Audit Summer Analyst Program at Morgan Stanley in Baltimore

<https://roanoke.joinhandshake.com/edu/jobs/8877678>

Summer Analysts join the Morgan Stanley Internal Audit Department in June for a comprehensive 10-week internship and development program that provides participants with exposure to various functions across Internal Audit and coverage areas within the Firm (e.g., equities, compliance). Individuals who successfully complete the program may be considered for full-time employment following college graduation.

The Summer Program includes training on internal audit fundamentals and Morgan Stanley's audit methodology, engagement with senior leadership, cross-divisional networking opportunities, peer mentorship, community service opportunities, and a group project in which Summer Analysts present what they have learned through the program to a broader audience. Participants in the Technology Track will also learn about cutting-edge technology, including, but not limited to, artificial intelligence, machine learning, algorithmic trade engines, pricing models, digital banking, advisory services, and cloud computing.

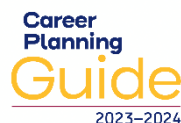

To be considered, candidates must apply by August 9, 2024.
