Upcoming PLACE events

Spring 2024 Career Power Hours

You're invited to take part in our Spring 2024 Career Power Hours! These virtual events provide you a great way to learn about jobs, internships, and life in popular cities, directly from Roanoke College alumni who live and work there. So you will get both **valuable information** and **valuable connections** from these virtual Power Hours! All events are at noon. Registration is available on Handshake and linked below. Don't miss your chance to learn and network with the last one of the semester!

[April 9 – Richmond](#)

Pitch Perfect

Join "Pitch Perfect: Elevate Your Story in 30 Seconds," a workshop tailored for Maroon students. Discover how to craft a standout pitch for interviews and networking, focusing on student experiences and goals. Learn to condense your story into a memorable 30-second pitch, practice with mock interviews, and receive feedback to improve. Understand how to adjust your pitch for different settings and connect with peers for a supportive learning experience. [Register on Handshake.](#)

Roanoke Rovers - traveling student employee opportunity coming in the fall

Roanoke Rovers serve as a flexible, project-based student employee pool aimed at providing short-term assistance to departments for specific projects, event setups, and office coverage needs. Roanoke Rovers are centrally managed by PLACE to ensure an efficient means of allocating trained, professional, temporary student labor needs.

Students interested in becoming Rovers will apply for this position through Handshake and be selected and trained by PLACE staff. The position is posted on Handshake, and application review will begin next week! Contact Meghan Jester at jester@roanoke.edu with questions.

Dominion Energy: 2024 Careers in Energy Diversity Student Conference

Dominion Energy is excited to announce that the fifth **Careers in Energy Diversity Student Conference** is now accepting applications! The conference helps us recruit outstanding interns and co-ops who reflect the communities we serve. We are thrilled that this year, the conference will take place in person at **Dominion Energy's headquarters in downtown Richmond, Virginia on October 9-10, 2024**. We will welcome 100 students, representing undergraduate majors from colleges & universities.

Our in-person conference provides an excellent opportunity for students to:

Learn more about Dominion Energy, a Fortune 200 company

Gain insights into what a career in energy entails

Network with business leaders, employees, and other college students

Access to summer 2025 internships across our footprint, in states such as Virginia, South Carolina, North Carolina, and Connecticut

We'd love to see you represented at the upcoming conference. Applicants must be current freshmen, sophomores, or juniors with a minimum 3.0 cumulative GPA. The application deadline is **June 01, 2024** and we encourage students to [apply now!](#)

[Learn more](#) about the variety of projects available at the museum and apply [here](#).

2024 Fall Paid Research Opportunities

The Office of Science / US Department of Energy is pleased to announce paid research internship opportunities for undergraduate students majoring in areas of Science, Technology, Engineering, and Mathematics (STEM) for the Fall of 2024. The application system for the 2024 Fall Term Science Undergraduate Laboratory Internships (SULI) program is currently open, with all applications due by 05:00 PM Eastern Time on May 22, 2024.

The Science Undergraduate Laboratory Internships (SULI) program places students from 2 and 4 year undergraduate institutions as paid interns in science and engineering research activities at DOE national laboratories and facilities, working with laboratory staff scientists and engineers on projects related to ongoing research programs. Appointments are for 16 weeks during the Fall term, are open to US Citizens and US Lawful Permanent Residents, include a weekly stipend, reimbursement for one round trip domestic travel to the participant's host DOE laboratory, and possibilities for a housing allowance. More than 850 internships are sponsored annually.

Application is made online. Full program information and descriptions, including links to the online application system, are available at: <https://science.osti.gov/wdts/suli/>

John Hudson Internship Program

The application for the John Hudson Internship Program (JHIP) has now been posted: [John Hudson Internship Program Webpage](#).

The Fairfax Area Disability Services Board established JHIP for college students and recent graduates with disabilities. The internship program provides participants with on-the-job experience, professional development, and training opportunities. Any college student, law student, graduate student, or recent graduate who self-identifies as an individual with any type of disability may apply. This year's internship program includes one internship in IT and one internship in the Alcohol Safety Action Program.

The internship program lasts 380 hours and pays \$15.48 per hour. The start and end dates are flexible, but interns should plan on starting work in the beginning of June and working until the beginning of August. This is a full-time internship (40 hours/week). Interns should plan on working eight hours a day (with a one-hour lunch break), Monday through Friday. A typical schedule is 8 a.m.-4:30 p.m.

The submission deadline to me for the application, resume, and two letters of recommendation is Friday, April 12, 2024.

Summer Internships at LEAP

Interns for Local Environmental Agriculture Project (LEAP) will support our nonprofit's mission by assisting in the daily work of our mobile and fixed-site farmers markets, community gardens, shared commercial kitchen, food hub operations, and/or marketing efforts.

LEAP internships will be designed to fit each intern's schedule and interests, while taking into account the specific needs of our organization (which change depending on seasons and other factors). Interns will report to LEAP's Food Access Manager, Community Gardens Manager, Kitchen Manager, Food Hub Manager, and Communications Manager, depending on the schedule that is co-created by LEAP and the intern. This is an unpaid internship. Interns are encouraged to learn as much as they can about LEAP's work in Roanoke and beyond during their internship, which includes taking home local fruits and vegetables as available.

LEAP is also hiring a full-time [Administrative Services Manager](#) and [Community Garden Manager](#).

Stop by for Rooney's Reviews or Walk-In Wednesdays

Don't want to schedule an appointment? Have a quick question? Catch us at Rooney's Brews on Tuesdays from 9:30 - 10:30 AM for Rooney's Reviews or on Wednesdays from 1-4 for Walk-In Wednesdays at PLACE. See you soon!

Handshake Highlights

Learning Design Intern with Lidl in Arlington <https://roanoke.joinhandshake.com/edu/jobs/8798189>

The Learning Design Intern will work on a variety of assignments with the Learning and Development team to support the creative design process for creating digital learning content and managing employee training compliance. The Intern will receive hands-on training and professional development in Talent Management while working closely with other Human Resources or department functional teams.

Candidates should have experience with graphic design/creative content creation using Adobe products such as Illustrator, Photoshop, After Effects and/or Premiere Pro.

Candidates should be pursuing degrees in Business, HR, digital content creation, Communications and/or Social Science or similar at an accredited University. Must be a rising Junior or Senior with a 3.0 or higher grade point average.

Here's what our program provides:

Full-time, paid 10-week internship, running from June 10-August 16

Hybrid working model based out of the Company headquarters located in Arlington, VA

Compensation of \$20 per hour

Hands on learning and experience working on real projects

Finance Internship at RUI Unlimited

<https://roanoke.joinhandshake.com/edu/jobs/8775416>

Are you interested in becoming a **RUI LIMITLESS Intern** ?

Through an internship program focused on your development that pushes you to embody leadership, analytical thinking, problem solving and teamwork. Through LIMITLESS you will impact the lives of seniors by providing purposeful living while pushing your leadership limits. This eight-week internship will allow you to gain hands-on experience in the corporate home office executing accounting and finance activities that help keep seniors living communities thriving.

As part of your internship, you will be tasked with a summer long legacy project as well as management of monthly procedures. You will have the opportunity to present your legacy project to members of RUIs Executive Leadership team. Upon completion of LIMITLESS selected interns will receive a full-time offer upon graduation. If you have an unbelievable work ethic, service mindset and a drive to find solutions then this might be the career for you.

With offices located across the state of Virginia, Florida, North Carolina, New York, Delaware, New Jersey, Pennsylvania, Maryland and Connecticut you can start your career in Virginia, but RUI can take you to any of our numerous locations.

Candidates must be enrolled in an institution of higher education. (Business major required with accounting/finance concentrations preferred).

Summer Intern for Energy Industry at Blue Ridge Power Agency

<https://roanoke.joinhandshake.com/edu/jobs/8837443>

Blue Ridge Power Agency seeks a college student to fill a summer intern position. Our ideal applicant is a current student in Engineering, Economics, Business or Science or a directly related field. While you do not need to have prior job experience, you must have a high GPA and familiarity with Microsoft Office tools, especially Excel and PowerPoint.

You will shadow utility staff out in the field, visit local generation sites, develop presentations explaining complex technical topics, and create member load data reports.

Intern Requirements and Qualifications

- Recent degree or current enrollment in an engineering, business, economic, or science program
- High GPA
- Solid understanding of Microsoft Excel and PowerPoint
- Self-starter able to work with little direct supervision
- Willingness to learn new skills
- Flexible schedule
- Strong organizational and communications skills

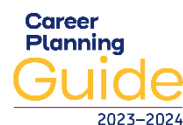

Applications close 4/16.
