## Game Changer Week

Join us in Blacksburg and Roanoke for Game Changer 2023 where founders, educators, investors, partners, and students connect and celebrate innovation in our region.

[Game Changer Week](#) celebrates our innovative ecosystem where participants are inspired by encounters with disruptors from all industries, people of all ages with ideas, the curious looking to learn or invest, and the brightest talent among us.

The series of events – which launched in fall 2021 – is a celebration of our innovative ecosystem and is designed as a place where big ideas and technology can collide. There will be speakers focusing on everything from biotechnology to cyber tech to workplace leadership, plus networking events.

The intent of the week is to inspire innovative thinking and connect the regional innovation ecosystem. You might learn about a new technology being developed right here, engage with leaders to help advance your startup (or career), and walk away with tips and skills to make you better at work today.
